After paragraph 5, insert a new paragraph reading:

5a. Miss SAAD (Egypt) thanked the representative of the United Kingdom for the excellent work he had done in his capacity as facilitator in the informal negotiations on the draft resolution concerning operational activities. Perhaps, as the representative of Canada had already mentioned, the failure of the negotiating group to reach a consensus on the draft was due to the limited time which the group had been given. She expressed the hope that that would be rectified at the next session of the General Assembly.
